

Suggested Use: Test on a small patch of skin first. Massage onto affected areas at bedtime. Wash with an all-natural soap/shampoo in the morning (optional). Apply everyday for one week, and then gradually decrease frequency to 1-2 applications per week.

Caution: For external use only. Avoid contact with eyes. Discontinue use if sensitivity or irritation occurs. Consult your physician first if pregnant. Keep out of the reach of children. Not recommended for infants. Do not use everyday for more than 2-3 weeks without a break.

4 fl oz (120 mL)

Derm- essentials

for
